Meet: Benji!

About Me...

Benji is a handsome and fun 3 year old Pit Bull mix who is an active and outgoing dog! He loves to run and would make a great running partner (if you can keep up)!

Because of his dominant personality, Benji was surrendered because he was not getting along with other pets in the home. He would be a great match for an active person, couple or family with teenage children. A large fenced yard to play in would be ideal with lots of daily walks added to burn his extra energy!

Erie FCU is a proud supporter of Erie Humane Society and will sponsor the adoption fees for this animal to any interested party.

(Must go through EHS process to adopt.)
