

ERIE FCU BUSINESS CHECKING

The tools you need & extras you want.

We give you both.

Most businesses need a checking account, but not every business needs the same type of account. As a local, not-for-profit financial cooperative, we go the extra mile to ensure our business members are given the tools for success.

Which BUSINESS CHECKING ACCOUNT is right for you?

	Business Checking	Business Plus Checking	Community Checking
Account Profile ▶	For small businesses without a lot of monthly transactions, we offer our basic Business Checking . This simple, non-dividend-paying checking solution allows you to utilize e-Statements and online access, and gives business members the option to add the additional convenience services.	Perhaps your business is bigger, or growing, and needs more flexibility. Our Business Plus Checking account rewards businesses with a very competitive dividend on the balance kept in the account, a full suite of solutions and other great perks.	Our Community Checking option is a dividend-paying account that meets basic checking account needs for non-profit organizations that includes great technology, lower fees and easy account access. Account available for Non-profit organizations only.
