

BUSINESS LENDING

Whether you're starting out small or thinking big...

We've got your back.

At Erie FCU, we always treat you like a valued member of our community, never a number. If your business needs money to grow, take advantage of new opportunities, or buy equipment, be sure to talk to our Business Lending team about all of the options we offer. We welcome your inquiries and seek to fully serve your needs. *You'll find everything you love about your credit union, now for your business.*

◆ Business Line of Credit

A line of credit can help a business with a specific need or a simple boost in working capital to address nearly any short-term business need on demand. Managing expenses, inventory, and general cash flow is critical to business needs and Erie FCU can help.

◆ Vehicle Loans

Need a new company car or special equipment for your business? Look no further than Erie FCU. We can help you get the vehicle that will benefit you the most.

◆ Commercial Real Estate

Getting a space for your business is easier than ever. Our experienced Business lending team can help you finance or refinance your commercial mortgage for your business locally.

Loans subject to credit approval. Membership eligibility required.

◆ Equipment Loans

No business can be successful without the equipment it needs, but equipment is expensive. We have competitive rates and a variety of terms to meet your every need.

◆ Business Expansion Loans

Do you need a loan to build or expand your existing business facilities? Erie FCU has the perfect loan for your business.

We also offer:

Credit & Debit Card Options ◆ Business Checking & Savings
Merchant Processing ◆ Merchant Direct Loans
