Erie Federal Credit Union Celebrates Glenwood Branch Grand Opening

ERIE, PA (June 8th, 2017) – Erie Federal Credit Union (Erie FCU) celebrated the grand opening of its ninth branch office located at 3503 Peach Street with a ribbon-cutting ceremony on Wednesday, June 7, 2017.

The event featured a ribbon cutting ceremony with the Erie Regional Chamber & Growth Partnership, as well remarks from Erie Mayor Joseph Sinnott, Erie County Executive Kathy Dahlkemper and other community leaders. Erie FCU’s Board of Directors and its CEO, Brian Waugaman were on hand to greet guests and give tours of the new facility. The festivities also included catering and refreshments from Que ‘Abides Food Truck and exclusive, special offers available for new and current members from June 7 until June 30, 2017, including an auto refi offer, dividend plus checking and a special share certificate rate offer.

“We’re very excited about this grand opening,” Waugaman said. “We’ve watched as construction has progressed over the last 18 months, and could not be more pleased with the result”. Waugaman added, “the new State of the art Glenwood facility will allow us to better serve our current and future members and accommodate our future and continued growth.” Waugaman continued, “a lot of time and energy has been taken in order to preserve the historic value of the Glenwood Elementary school, and the surrounding area. Our expansion and investment in Erie utilized local artisans, designers, and contractors to plan, and develop this property. We took a school that was closed, and through this build, breathed new life into it and the surrounding neighborhood. We believe it will help make a lasting impact as an economic contributor to Erie.”

Erie FCU’s new building is home to administration, wealth management, member support, lending and marketing. The Glenwood branch is managed by Stephanie Shilling and Lindsey Shatto with the support of eleven capable team members. The 40,000-square-foot facility has a six lane drive-through with an ATM and plenty of parking. The Glenwood Hours of operation for their lobby are Monday - Thursday 9-5, Friday 9-6, and Saturday 9-1 with the drive-thru hours Monday -Wednesday 9-5, Thursday - Friday 9-6, and Saturday 9-3.

About Erie Federal Credit Union

Erie Federal Credit Union has over 52,000 members with assets totaling over \$437 million.

Erie Federal Credit Union was formed in June of 1936 by a group of local Erie educators who started the Credit Union using their own money. They began serving members with meager means and a very small staff of one. Our first office was in the home of a Board Member, who served members on a regular basis. This office served our membership until in 1973, when we built our first office on East 38th Street.

Since its inception in 1936, Erie Federal Credit Union has been serving its members in and around the Erie, Pennsylvania area with exceptional financial products. As a full-service credit union, anyone that lives, works, worships, or attends school in Erie or Crawford County, PA may be eligible to join. Erie FCU is federally insured by NCUA and an Equal Housing Lender.
