### **Young Erie Professionals Announce Leadership Changes Effective Immediately**

Erie, PA — November 9, 2017 — Yesterday at the Erie Regional Chamber and Growth Partnership Annual Meeting, Young Erie Professionals announced leadership changes effective immediately, enabling the organization to revamp the mission, vision, and goals.

“Our vision is to be the central hub for young professionals – so they have a place to get connected. YEP presents an opportunity for young people to share knowledge, interact with community leaders and become engaged in the inner-working of our community,” said Kristi Bailey, Young Erie Professionals newly appointed President.

YEP will be the go-to organization for information on community events, board opportunities, mentoring, connecting young professionals to businesses and organizations and ultimately giving young professionals a voice in the community.

#### ***About Young Erie Professionals***

Founded in 2002, Young Erie Professionals is supported by The Chamber. YEP is dedicated to providing opportunities for emerging leaders and career minded peers to develop professionally, while actively participating in their community to connect, attract and retain young talent in the local workforce.
